

Business Deep Dive

The Business Deep-Dive is a targeted and hands on due diligence service

We use a variety of methods to collect data including:

- Strategy deep-dive sessions
- Key stakeholder interviews
- Site visits & assessments
- Review of internal data, processes & systems
- Independent external market analysis
- holistic assessment/analysis - customised valuation

Inclusions:

- Strategic Deep-dive session
- Key stakeholder interviews with a cross section of employees determined in conjunction with business leaders
- Capability analysis of critical / key leaders
- Communications / positioning plan for employees
- A set of practical recommendations based on the businesses leadership capability, performance, structure and process linked directly to the businesses strategy
